The amount is variable

*Establishment charges are subject to revision from time to time. Changes, if any, will be effective from the odd semester of a particular academic year.

**Mess advance is accounted at `125.00 per day considering an average of 30 working days in a month and 5 months in a semester. Actual amount will depend on the actual number of months and days in a semester. Any variations from the mentioned amount will be adjusted in the subsequent semester mess advance and the student will be informed about the same before the start of new semester.

***Re-admission fee of `1,000.00 plus late fees at the notified rates will be applicable when the student fails to pay the hostel fees within the time frame notified before each semester.

Note on per day mess charges:

1. The per day mess charge shown above is applicable during the semester. Per day mess charge for stay during the semester vacation,if availed,will be at 25%higher rate than the normal rate.
2. Per day mess charge may be enhanced to account for inflation and the same will be informed to the students at appropriate points of time. Such changes will be normally effective from the beginning of the new semester.
